The main points of the Treaty [BRAT]

The first 26 Articles of the Treaty set out the Covenant of the [League of Nations](#); the rest of the 440 Articles detailed Germany's punishment:

1. Germany had to accept the **Blame** for starting the war (Clause 231). This was vital because it provided the justification for...
2. Germany had to pay £6,600 million (called **Reparations**) for the damage done during the war.
3. Germany was forbidden to have submarines or an air force. She could have a navy of only six battleships, and an **Army** of just 100,000 men. In addition, Germany was not allowed to place any troops in the Rhineland, the strip of land, 50 miles wide, next to France.
4. Germany lost **Territory** (land) in Europe (see map, below). Germany's colonies were given to Britain and France.

(Also, Germany was forbidden to join the League of Nations, or unite with Austria.)
