Optional Unit Assignment

- attempt this if you want an additional way to demonstrate your understanding of ideas and themes from the last 3 units
- attempt this if you have an assignment/project mark that you think will be improved by adding another item for assessment

This small project is quite simply STEP 4 and STEP 5 as described on p. 283-285 in your Counterpoints textbook. These are part of the contributions to the text that I got to work on back in 2009!

Complete these steps to the best of your ability in whatever format makes sense to you. If you choose to do this option project, it is due by Friday Jan 30th (FIRM DEADLINE - not accepted after this), and will be added to the Project/Assignment category of your marks
